

Categorically successful

Category Buyer – Tobacco & Services

Milton Keynes

How do you create more energy for the world without compromising the resources of the planet? Some might say you can't square this circle. We believe you can. By having the right people on board, and going beyond conventional ways of thinking and working, we will. With over 117,000 of us in over 100 countries, we aim to be a power for good, a company renowned for its contribution to people's lives and the world we live in, as well as its commercial strength.

That commercial strength is reflected in every aspect of our operations. Our retail business has gone through an incredible transformation in recent years with the emergence of brands such as Wild Bean Cafe and a heavy investment into BP Connect, the convenience format that serves millions of customers each week and rivals are now trying to emulate. Reporting to the category controller, this role will see you managing supplier relationships, analysing category performance and co-ordinating all aspects of buying to maximise profit and exceed customer expectations.

A high-calibre buyer with experience of working in tobacco and/or services, you'll need to be determined, driven, possess excellent communication skills and a proven track record of negotiating tough deals. In addition to a competitive package, you can expect all the rewards and opportunities associated with a world-class organisation.

Please apply with a full CV and covering letter, stating current salary details to Thomas Houghton at Quest Search & Selection, 36 Galena Road, Hammersmith, London W6 0LT. Email: BP@questsearch.co.uk or call on 020 8222 0555.
